ESA for Brilliant Stone Enterprises, Inc.: On February 16, EPA ratified an ESA with Brilliant Stone Enterprises, Inc for the illegal importation of 108 scooters into the United States in July 2016. The catalyst from one of the examined scooters had been tested, and was found to be materially different from the certified design for the engine family. The respondent paid a civil penalty of \$3,800 and exported the 108 scooters back to China as part of its required remediation. (Janice Chan x23308)
